Re: March 3, 2008 hearing regarding application of
 Courtroom View Network in *In re Zyprexa*
Products Liability Litigation, MDL No. 1596

Dear Judge Weinstein:

This firm is principal outside counsel to Courtroom View Network ("CVN"). On February 8, 2008, you entered an order in response to my letter-application of February 7, 2008 on behalf of CVN stating that the Court "will permit CVN to provide audio-visual coverage of the March 20, 2008 hearing" in the above-captioned matter unless "an interested party shows cause in writing on or before February 25, 2008." If an interested party does object to CVN's coverage, the Court has scheduled a hearing on the order to show cause to take place March 3, 2008.

I have a longstanding obligation out of the country on March 3. Therefore, should this hearing become necessary, I respectfully request that it either be rescheduled for March 4, 5, or 7 (or any date the following week other than March 10, 2007); or, if the hearing cannot be rescheduled, that the Court permit me to participate on CVN's behalf by teleconference.

I apologize for any inconvenience this request causes and very much appreciate Your Honor's consideration.

Respectfully submitted,

Jonathan Sherman
